

Minutes from the Commission Meeting held on

June 6, 1995

The Mayor and Board of Commissioners of the Town of Englewood met in regular session, Tuesday, June 6, 1995 at 6:00 p.m. in the Assembly Room at City Hall.

The meeting was called to order by Mayor Cass with Commissioners Davis, Long, Brock, and Middleton present. Invocation was given by Commissioner Davis.

Motion was made by Middleton, seconded by Brock to accept the minutes from the May 1995 meeting. All ayes.

Several citizens were present to discuss the route of Highway 411. Wayne Williams presented the following chart:

Sate Cost Estimate

<u>Through Town</u>		<u>Bypass</u>	
Water	\$169,500.00	Water	\$34,400.00
Gas	76,800.00	Gas	21,000.00
Sewer	<u>144,000.00</u>		<u> </u>
Total	\$390,300.00	Total	\$55,400.00
State Refund	<u>- 62,000.00</u>	State Refund	<u>- 9,600.00</u>
Cost	\$328,300.00	Cost	\$45,800.00

Mr. Williams stated that he had been informed that the sewer lines would not have to be moved, but that there would be a charge for off-setting manholes estimate around \$1000.00 each.

Mr. Williams also stated that 646 citizens signed for the route to go through town.

Mr. Williams stated:

- * the difference going through town and by pass was \$282,500.00
- * with a population of 1500 people it would cost each person \$1.57 over the next 20 years to pay for cost of going through town.
- * subtract the cost of replacing the water lines from the cost of road then the cost for Englewood would be \$133,000.00 which would be taken care of by grant money that would replace the water lines.

Mayor Cass informed residents that an engineer would have to be hired to figure that actual cost of relocation. He also states that grant money could not be used for the relocation project. It could only be used to place the main line a block off toward the

school and replace a 2" water line going toward Cochran Cemetery with a 6" line, and this was only to lessen the impact.

Others making comments in favor of Highway 411 going through town were:
