Billy said that the Delaware Fire Department was willing to donate an ambulance to the Town of Englewood if we were willing to have a volunteer ambulance service for the citizens of Englewood. We would be the second Fire Department in the State of

Tennessee to offer a volunteer ambulance service. Englewood Fire Department has already received a grant for \$8,500 from Colonial Pipeline to be used to supply the donated ambulance with the equipment and supplies it will need to operate. The State requires it to be licensed and inspected. The license fee is \$2,100 and the inspection fee is \$400.
